ABOUT ELKHORN TRAINING CAMP:

- **Four 70' x 70' Quads with 25' ceilings**
Open quad area with no support beams to interfere with your practice. This allows maximum safety and space utilization. All quads are equipped with premium pitching mounds, L screens and field nets.
- **One 65' x 65' Quad**
One 65' x 65' quad which can also be interchanged as 4 large batting cages for your hitting and/or pitching practice.
- **Four Hack Attack Batting Cages**
State of the art Hack Attack batting machines which will pitch REAL baseballs/softballs to your athlete. The velocity and movement can be easily changed to match your athlete's age and skill level.
- **Seven Batting Cages With Turf**
Batting cages are equipped with extra heavy netting for maximum safety of our members. No baseballs flying into adjacent cages or bouncing off the ceiling. Premium, fully padded L- screen protection in each cage. All members receive full buckets of premium baseballs and batting tees.
- **175' x 150' Outdoor Turf Field**
Members will have access to our 26,000 sq. ft. outdoor turf field perfect for fielding practice, situational defense, and base running.
